

My notes:

- Coffee with a cop events being set up
- Test purchases have been made for tobacco by underage police cadets, apparently 2 failed this test
- They are introducing a facial recognition van in the area after success using it in the city centre to identify antisocial behaviour and other people of interest
- Safer business action week (November 9th)
- They are asking us to report improvised bonfires and any piles of wood/rubbish which could be used for such

More than 500 bikes seized during summer crackdown on illegal riding | Greater Manchester Police

Illicit activities at convenience stores

Expressed concerns in previous meeting about under-age sales by convenience stores
Five stores identified and checked – three passes, two failed.
Further licensing spot visits conducted – substantial amount of illegal tobacco seized
Both have now lost their premises licences.
